Adult Day Health Care Rate Increases

Effective for dates of service on or after August 1, 2005, Medi-Cal rates have increased for Adult Day Health Care (ADHC) services (HCPCS codes Z8500, Z8502, Z8504 and Z8506). Claims for dates of service on or after August 1, 2005 that were paid at the lower rate will be automatically reprocessed. The new rates are as follows:

HCPCS Code	Description	Rate Effective for Dates of Service on or after August 1, 2005
Z8500	ADHC regular day of service. Minimum four-hour day at the center, excluding transportation time.	\$ 73.56
Z8502	ADHC initial assessment day <u>with</u> subsequent attendance at the center. Limit of three assessment days. Same center may not bill for assessment days again within 12 months of the last day of service. If the participant transfers to another center, assessment days may be billed by the second center without the 12-month restriction.	77.24
Z8504	ADHC initial assessment day <u>without</u> subsequent attendance at the center. A statement explaining why the participant did not attend the center subsequent to assessment must be entered in the <i>Remarks</i> area of the claim (same limitations as for code Z8502).	77.24
Z8506	ADHC transition day. Limit of five days per participant's lifetime. A statement that the <i>Physician Authorization and Medical Information</i> form is on file at the center must be entered in the <i>Remarks</i> area of the claim.	62.53
